Attachment 1

Thank you for your continuous support and care for Nan Liu. We appreciate it and look forward to your steady support in the years to come.

The following is a report of our business results in 2024.

A. 2024 Business Report

(1) Achievements of the 2024 Business Plan

The Company's major businesses before 2024 included the sale of spunlace nonwoven fabrics, Air Through & Thermal Bond Nonwoven Fabrics, Disposable surgical gowns fabrics, hygiene consumables (most of sales on baby wet wipes), and facial mask/skin care products. In 2024, net sales was NT\$6716 million, grow 8.68% compared with 2023. The net income in 2024 was NT\$100 million, less 15.87% compared with 2023 and with an EPS of NT\$1.39.

(2) 2024 Consolidated	Financial	Expenditure	and Profitability
(4	<i>j 202</i> i combondated	1 maneral	L'Aponancaro	and i formaonity

		Un	it: NT\$ thousand
Consolidated Statements of Comprehensive Income	2024	2023	Change %

	Income before income tax	28.00	26.01
Net profit margin		1.50	1.93
After-tax earnings per share (NT\$)		1.39	1.65

FY2024 is a tough year for the external operating environment of the company. This is mainly due to the fact that during the epidemic, too many new non-woven production lines were added in China, and competition among peers was fierce. Taiwan's exports were reduced to neighboring countries, resulting in lower production capacity utilization and difficult selling prices. As prices rise due to inflation, revenue and profits will be directly affected. The Indian factory, which started mass production in the fourth quarter of 2021, not only implemented the business philosophy of the founder, but as India's local economic growth outperformed the world, it became increasingly clear that demand was rising. As a result, the production capacity of Indian factory was nearly full and the revenue was growth. The orders of the factory in Pinghu are increasing because other competitors as the products gradually withdrew from the market due to poor quality, and the export orders are also increasing. The revenue of Pinghu factory has increased compared with last year

However, in the face of such a dangerous environment, all the colleagues of the company continue to work hard at their jobs. The management team face and deal with the systemic risk due to the market change very soon properly, because on sufficient management experience, stable business model and effective risk control system. We keep going to build more powerful operating system and develop better production quality, in order to mak more excellent performance for all shareholders.

(4) Budget execution status

The machinery and equipment of Qiaotou factory have been successfully moved to Yanchao factory in 2024. The production line has been installed and entered into production. The nonwoven production line has been installed and the Indian factory is currently running smoothly. The revenue has also been grown steadily. We focus on expand maket share in the Indian market, and actively explored export markets such as the Middle East and Africa. The execution of budget is going stable and smooth..

(5) Research and development status

Our R&D team cooperate with our customers to plan their product specifications and provide professional suggestions, develop R&D plans and new products ideas. We can also work with customers in different factories (different countries, geographical locations, or different climate conditions) strictly control the production environment conditions, and get quality control well. R&D product development progress in 2024 are followed as planned.

B. Summary of the 2025 Business Plan

- (I) Business Policy and Implementation
 - (1) Our new vision is implemented in the Company's daily operations, and our business philosophy is strengthened and fulfilled to achieve the goal of organizational optimization.
 - (2) Integration of supply chain management: we aim to have in place competitive and strategic raw materials suppliers, meet our customers' flexible and rapid demands, and reduce inventory costs to increase cash flow.
 - (3) Strengthen education and training systems, create a passionate and excellent work

environment, improve staff morale, and boost operational efficiency.

- (4) Continue enhancing product development capabilities and production technologies: obtain leading technologies and upgrade production capabilities; become a research and development center for our customers; and cooperate with technology experts at home and abroad, such as technical research and academic institutions.
- (5) Implement green-energy policies and reduce carbon emissions to simultaneously lower costs and protect the environment, exercise social responsibility as a global citizen, and enhance overall image of the Company.
- (6) Persistently implement prudent accounting practices and strengthen financial risk management to improve profitability.

(II) Major Marketing Strategies

- (1) Buildup of capacity: add new production lines and enhance the benefits of economies of scale.
- (2) Leadership in quality and technology: with customer-oriented approaches and the development of new products, promote the Company's international branding.
- (3) Automation: consistently improve enterprise resource planning (ERP) systems, strengthen operational controls, and integrations to improve core competitive power.
- (4) Adopt more aggressive strategies to enhance the position of the production base in Asia.
- (III) Future Development Strategy

Uphold the principle of the "cycle of virtues" — that is, to profitably provide customers with outstanding quality, delivery and service, so that they are incentivized to purchase even more products from the Company, and thereby looking after the interests of shareholders and employees. In so doing, all four stakeholders — shareholders, employees, and customers, the community — can achieve win-win outcomes.

(IV) Competition, the Regulatory Environment, and General Business Conditions

While input prices are rising at home and abroad, the Company has strengthened its cost control measures. At the same time, our international platform offers improved conditions for customer orders through competitive advantages, and fluctuations in raw material prices are incorporated into price negotiations.

The Company will continue to strengthen its knowledge of the market environment; integrate regulatory and customer standards; reinforce accounting and legal requirements; promote environmental and labor protection initiatives; and enhance corporate governance and corporate social responsibility.

With increasing demands for the use of green energy and requirements for carbon reduction, we intend to hold ourselves to world-class standards in the pursuit of business growth.

Overall, while adverse external environments and rising production costs pose increasingly rigorous challenges, the Company believes that customers' demands can be satisfied through constant innovation and improving processes to maintain a competitive advantage and maximize profits for its shareholders.

With best wishes, and to good health and success for all,

Mr. Huang, Shih-Chung

Mr. Chang Cheng Hsu

Nan Liu Enterprise Co., Ltd. Audit Committee's Review Report

(Translation)

The board of directors submitted the Company's 2024 business report, financial report and earnings distribution proposal, among which the individual and consolidated financial reports were reviewed by accountants Chung-Yu Tien and Tzu-Shu Lin of PricewaterhouseCoopers Taiwan, and an review report was issued. The above-mentioned operating report, financial report and profit distribution proposal have been completed by the Audit Committee. All members believe that they are in compliance with relevant legal requirements and are prepared in accordance with the provisions of Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act.

, I hereby submit this report.

Submitted to : The Company's 2025 Annual Shareholders' Meeting

Nan Liu Enterprise Co., Ltd. Chairman of the Audit Committee : Huang, Tung-Rung On the Date of April 14, 2025

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Nan Liu Enterprise Co., Ltd.

Opinion

We have audited the accompanying parent company only balance sheets of Nan Liu Enterprise Co., Ltd. (the "Company") as of December 31, 2024 and 2023, and the related parent company only statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the parent company only financial statements, including a summary of material accounting policies.

In our opinion, the accompanying parent company only financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the parent company only financial statements section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. Based on our audits, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Company's 2024 parent company only financial statements. These matters were addressed in the context of our audit of the parent company only financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matter for the Company's 2024 parent company only financial statements is stated as follows:

Appropriateness of inventory valuation

Description

Refer to Note 4(8) for accounting policies on inventory valuation, Note 5(2) for the uncertainty of accounting estimations and assumptions relating to inventory valuation, and Note 6(4) for details of inventories. As of December 31, 2024, the carrying amount of inventories and allowance for inventory valuation loss are NT\$322,612 thousand and NT\$31,230 thousand, respectively.

The Company is primarily engaged in the manufacture and sales of air-through nonwoven, spunlace nonwoven, wet napkins, facial mask and skin care products. As the net realisable value of inventories fluctuate based on market demand and sales strategy, there is a higher risk of incurring inventory valuation loss or having obsolete inventories. The Company's inventories are stated at the lower of cost and net realisable value. The Company also individually identifies the net realisable value of inventories that are over a certain age, obsolete or damaged and recognises related loss if any. As the amount of inventories is significant, the types of inventories are various and the valuation of the net realisable value involves a high degree of estimation uncertainty, the appropriateness of inventory valuation has been identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- 1. Assessed the reasonableness of policies and procedures on allowance for inventory valuation loss.
- 2. Assessed the effectiveness of the management's inventory control, based on our understanding of the operations of the warehouse management, inspected the annual inventory taking plan and performed our observation.
- 3. Verified the appropriateness of the net realisable value of inventories and the logic in inventory ageing report which was used for valuation and discussed and checked the related supporting documents with the management to assess the adequacy of allowance for inventory valuation loss.

Responsibilities of management and those charged with governance for the parent company only financial statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' responsibilities for the audit of the parent company only financial statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Declaration of Consolidated Financial Statements of Affiliated Enterprises

For the year ended December 31, 2024, pursuant to Criteria Governing Preparation of Affiliation Reports, Consolidated Business Reports and Consolidated Financial Statements of Affiliated Enterprises, the entities that are required to be included in the consolidated financial statements of affiliates, are the same as the entities required to be included in the consolidated financial statements under International Financial Reporting Standard No. 10. Also, if relevant information that should be disclosed in the consolidated financial statements of affiliates has all been disclosed in the consolidated financial statements of affiliates has all been disclosed in the consolidated financial statements of affiliates has all been disclosed in the consolidated financial statements of affiliates.

Hereby declare,

NAN LIU ENTERPRISE CO., LTD.

March 10, 2025

INDEPENDENT AUDITORS' REPORT TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Nan Liu Enterprise Co., Ltd.

Opinion

We have audited the accompanying consolidated balance sheets of Nan Liu Enterprise Co., Ltd. and subsidiaries (the "Group") as of December 31, 2024 and 2023, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2024 and 2023, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Group's 2024 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Key audit matter for the Group's 2024 consolidated financial statements is stated as follows:

Appropriateness of inventory valuation

Description

Refer to Note 4(9) for accounting policies on inventory valuation, Note 5(2) for the uncertainty of accounting estimations and assumptions relating to inventory valuation, and Note 6(4) for details of inventories. As of December 31, 2024, the carrying amount of inventories and allowance for inventory valuation loss are NT\$917,266 thousand and NT\$55,962 thousand, respectively.

The Group is primarily engaged in the manufacture and sales of air-through nonwoven, spunlace nonwoven, wet napkins, facial mask and skin care products. As the net realisable value of its inventories fluctuate based on market demand and sales strategy, there is a higher risk of incurring inventory valuation loss or having obsolete inventories. The Group's inventories are stated at the lower of cost and net realisable value. The Group also individually identifies the net realisable value of inventories that are over a certain age, obsolete or damaged and recognises related loss if any. As the amount of inventories is significant, the types of inventories are various and the valuation of the net realisable value involves a high degree of estimation uncertainty, the appropriateness of inventory valuation has been identified as a key audit matter.

How our audit addressed the matter

We performed the following audit procedures in respect of the above key audit matter:

- 1. Assessed the reasonableness of policies and procedures on allowance for inventory valuation loss.
- 2. Assessed the effectiveness of the management's inventory control, based on our understanding of the operations of the warehouse management, inspected the annual inventory taking plan and performed our observation.
- 3. Verified the appropriateness of the net realisable value of inventories and the logic in inventory ageing report which was used for valuation and discussed and checked the related supporting documents with the management to assess the adequacy of allowance for inventory valuation loss.

Other matter – Parent company only financial reports

We have audited and expressed an unmodified opinion on the parent company only financial statements of Nan Liu Enterprise Co., Ltd. as of and for the years ended December 31, 2024 and 2023.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations that came into effect as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
